HAND SANITIZER

ADVANCED FORMULA

75% ALCOHOL

Wandaz™ Hand Sanitizers
are the gold standard for hand
hygiene and are proven to kill
a wide array of illness causing
germs without damaging skin.

**Effective against bacteria,
viruses and other germs**

INSTANT HAND SANITIZER.

Keep safe with our hand sanitizers. According to the (WHO) World Health Organisation, Alcohol-based hand sanitizers are the gold standard for hand hygiene.

Wandaz™ Hand Sanitizers are proven to kill a wide array of illness causing germs without damaging skin. WHO recommends an alcohol content of 60% minimum for your sanitizer to work effectively. We go over and above to 75% because it's that extra that makes us extraordinary. Reach for our sanitizer when you need to kill germs, clean-up or keep safe.

We are a Ugandan company specializing in the manufacture of personal care and home care products.

Wandaz Products Limited is well-heeled with a talented and devout mix of experts who are committed to delivering excellence and creating moments of delight with extraordinary products. Every day, we blend heart, science and ingenuity to profoundly change the trajectory of the cosmetics industry in Uganda.

We are here to revolutionize, impress and help you discover a new world of goodness.
